

2022 AF IC
Security
Review Board

2022

PROSPECTUS

May 10-12, 2022 | Virtual Event

ISSM/ISSO/CISOs and other cybersecurity professionals throughout the Air Force are coming together for this three-day event, hosted by the Air Force Intelligence Community Chief Information Security Officer. The 2022 Air Force Intelligence Community Security Review Board will cover what's happening in the Intelligence Community, as it relates to cybersecurity.

2022 AF IC SRB Subject Matter:

-  The Latest Policy Changes and Updates
-  Recent Developments in System Accreditation
-  General Intelligence Community Cybersecurity Concerns

Showcase Your Products & SERVICES AT SRB 2022!

Get face time with the Air Force Intelligence Community. At SRB 2022, you can discuss the operational capabilities and functionality of your products and services with key AF IC leadership and support staff.

Expect high attendance! Last year this event had over 650 registered attendees. Hundreds of the registered attendees are senior leaders/decision makers!

We are excited to announce this event will be held virtually again in 2022! Last year in 2021, this event was held virtually for the first time and successfully brought together industry leaders to network, learn and share knowledge from across the country.

In 2021

THE ATTENDANCE FOR THIS VIRTUAL
EVENT INCREASED OVER TWENTY
PERCENT FROM THE PREVIOUS
IN-PERSON EVENT. OVER 650
ATTENDEES CONNECTED VIRTUALLY!
