31st ANNUAL

Government Procurement Conference

Thursday, June 16, 2022 | 9 AM - 4 PM
Walter E. Washington Convention Center | Washington, D.C.

The Government Procurement Conference is a national conference fostering business partnerships between the Federal Government, its prime contractors, and small, minority-owned, HUBZone-certified, veteran-owned, service-disabled veteran-owned, and/or women-owned businesses. Now in its 31st year, the Government Procurement Conference is the premier event for small businesses throughout the U.S.

Participating firms benefit from marketing their products & services to procurement representatives and small business specialists from government agencies. Companies may choose to set up an exhibit table to showcase their capabilities or simply come as an attendee.

The conference also includes educational conference sessions, procurement matchmaking and a dynamic exhibitor showcase.

Procurement Expo

Exhibitors from Federal, State and Local governments and their prime contractors are looking to network with small, minority, 8(a), SDB, HUBZone Empowerment Contracting Program participants, service-disabled veteran-owned, veteran-owned, and women-owned businesses to fulfill the small business requirements in their Prime contracts.

Additionally, exhibitors may bring procurement opportunities with them for distribution at the conference.

Previous GPC events have hosted more than 2,000 attendees – including small business specialists and procurement managers – representing the following:

Why Sponsor or Exhibit?

Procurement Matchmaking

Procurement Matchmaking will be offered as a value-added opportunity to meet with buyers in special, pre-scheduled one-on-one meetings with participating buyers during the conference. This portion of the event is limited in availability and is offered to small business participants registered for the overall conference on a first-come, first-served basis.

Procurement Matchmaking “matches” small company “sellers” with participating “buyers” represented by government agencies and large business Prime Contractors. These buyers and sellers will convene for a series of one-on-one meetings that will occur throughout the event in a special matchmaking meeting space.
